If Tuition is not collected at the same time, tuition must be paid at or before the time of the first lesson. Tuition is due before the first lesson of the month. Tuition paid after the first lesson or the fifth day of the month will be charged a \$5 Late Fee.

Any student that has not paid Tuition by the 15th of the month can be dropped from the instructors schedule and lose their time slot!!

I have read and understand the lesson policies of KYR Music LLC. I understand that this is a month-to-month contract between the student (or Parent/Guardian) and the Instructor; lessons are to be given at KYR Music.
